2026 SENIOR SHOW "UNITE": HAIR AND COSTUME INFORMATION

We are so excited for the Senior Show "Unite" on 29 November 2026 at Glen St Theatre!

To prepare, we will have a **dress rehearsal at Ecole on 21 November 2026** where students will practice changing their costumes and hair between dances. Below is some information on items students must bring to this rehearsal and the show.

STORAGE TUB

Students in two or more dances must bring a large tub to the dress rehearsal and concert to store their costume, hair and makeup items for quick changes. This helps ensure items are not lost between dances so that dancers can have a calm concert experience. These can be purchased at a low cost at stores such as Bunnings or Spotlight.

HAIR AND MAKEUP

Students must also have their own hair and makeup kit. We strongly recommend keeping this in its own storage container so that it can easily be moved around during the show.

At a minimum, hair kits must include large hair elastics, bobby pins, a fine-tooth comb, a hairbrush, strong hairspray and extra-strong hold styling gel. For more information on what students must have in their hair and makeup kits, please see our hair and makeup information sheets on the Ecole website.

Please note that siblings may share a makeup kit if you wish. However, each student should have their own hair kit, as we cannot guarantee they will be changing in the same place and therefore able to share items during the show.

Hair kits must be brought to the dress rehearsal on 21 November as students will be rehearsing hair changes.

RUNNING ORDER WITH HAIR & OTHER ITEMS

FIRST HALF
