FEES POLICY 2026

1. Invoices for fees are emailed to parents/guardians prior to the start of each term. All Term Fees must be paid by the due date. One invoice reminder will be sent before late fees are applied. A weekly late fee of \$10 per week is automatically added to accounts in arrears. After the first two weeks of Term we reserve the right to charge fees on a direct debit basis for invoices that remain outstanding. Unpaid and overdue accounts may be forwarded to a debt collector's agency for recovery of all outstanding debt plus agency collection costs.

If you wish to pay your Term Fees via instalments or an automatic direct debit, you will be required to sign up for a direct debit plan via our payment processing provider, Payrix. You can determine how often you would like to make these payments over the course of the Term's Invoice for which you are utilising this service. Please contact us via email accounts@ecole.com.au for further information.

2. Fees are based on Ecole school terms. There are four terms per year. Should a term be longer or shorter than ten weeks, no additional charge will be required nor will any refund or discount be provided. Fees are payable per term and will not be reduced for non-attendance of any proportion of the term. New students commencing after the start of term may receive a discount off the full term's fees at the sole discretion of Ecole. New students are welcome to trial classes at Ecole. If your child does not continue in the class, no charge applies. However, if your child continues, you will be charged for the trial lesson and normal term fees will apply.
3. Changes to your enrolment or withdrawal from a class/es must be advised in writing to info@ecole.com.au. Cancellation of an enrolment after a term has commenced still incur the full term's fees. This includes payments being made via direct debit/installments. All fees are non-refundable. If withdrawal from a class/es takes place once the term has commenced, a credit note will be provided. Credit notes are valid for twelve months and can be used by students in the same family.
4. If Government imposed restrictions require us to close our doors, we will revert to immediate online learning platforms. By enrolling for 2026 classes at Ecole, you agree that if classes revert to online, the fee structure remains as it is outlined in our 2026 Fee Policy. There will be no change to the fee structure and no refunds given an enforced lockdown.
5. If your child and/or family are directed by NSW Health to isolate for a period of time, please note that those missed classes are non-refundable and non-transferable. We will be happy to offer a make-up class. If you would like to request a make-up class, please visit, www.ecole.com.au/makeup-class. We will endeavour to find a suitable class for your child. Please note, however this is not guaranteed as some classes may be at full capacity or do only run once a week. Full details on our make-up class policy, can be found in point 5 in our Terms & Conditions.
6. Any classes missed due to illness, holidays or other commitments are non-refundable and non-transferable. If you would like to request a make-up class, please visit, www.ecole.com.au/makeup-class. We will endeavour to find a suitable class for your child. Please note, this is not guaranteed as some classes may be at full capacity or do only run once a week. If your child sustains a serious injury or illness resulting in extended absences from class, please contact us regarding class credits. A medical certificate must be provided. Any credits placed on your account have a twelve month expiry date. Full details on our make-up class policy, can be found in point 5 in our Terms & Conditions.
