

MEDIA RELEASE 2026

You grant to Ecole Performing Arts (Ecole), the right to take photographs/videos of your child whilst participating in dance classes/activities run by Ecole. You acknowledge that Ecole will use such images/videos for promotional purposes across various media including Ecole's website, Ecole's Facebook, Ecole's Instagram, newsletters, print collateral, etc. You hereby permit Ecole to use images/videos in a lawful manner for the purposes described above. You understand that your consent can be withdrawn at any time upon written notice and that student's private information will not be disclosed.

When you enrol your child at Ecole through the online enrolment form via the Ecole website, there is both a Media Permission acceptance field under the student details section as well a Media Release option at the end of the form. You can either agree or disagree to the Media Permission on the online form. If you agree to the Media Permission, then you grant to Ecole the rights as stated above in the Media Release.

Please note, your child may inadvertently be in a group where a photo is taken, however if you do not agree to the Media Release, the photo will not be published or your child's face will be obscured in the photo. The exception to this is Ecole's Mid Year Showcase, Examination Days, Performance Group events and Ecole's End of Year Performances/Rehearsals. As the photos from these events are of students performing in a group in action, we reserve the right to publish these photos.

At no time do we use student's first name and last name with their photo. The exception to this is our Ecole Awards page on our website (first name and last name). Our website Eisteddfod Results page and Mid Year Showcase winners page has the first name and first initial of the surname. Our social media (Facebook and Instagram) will contain the student's first name of any student that is featured for their Eisteddfod results.
