CONTAINER

Given all items will need to be taken to and from the eisteddfods, it is important that they are kept tidy and easily accessible.

Please ensure that items are stored in a travel container, such as that linked below, to ensure students can easily access hair and makeup items for fixes and touch-ups on the day.

NAMING ITEMS

Please ensure all items, especially the storage container, are named.

As all students will have the same items, this will help ensure no one gets their kits mixed up!
