In addition to Ecole's renowned tuition for students seeking to enter a professional career in dance, Ecole also offers tuition for senior school students interested in continuing to foster their love of dance with a focus on fitness, technique and enjoyment.

TUESDAY NIGHT COMMERCIAL DANCE

Much loved teacher Adele Kahler joins us on a Tuesday night for 2 ¼ hours of Hip Hop, Jazz and Contemporary Dance for Intermediate to Advanced dancers (previous experience in all styles is not essential). This class is designed to inspire, extend and strengthen students whilst offering an opportunity to stretch and tone, maintain fitness and de-stress from school commitments with a supportive community of dancers.

GUEST TEACHERS - INDUSTRY PROFESSIONALS

During each term, guest teachers from a range of genres will take some of the Tuesday classes to extend and expose students to unique choreographers and styles and provide additional training.

CLASSICAL TECHNIQUE & TONE

In addition, students are welcome to our Senior Open Ballet Classes. RAD Examiner and teacher Crystal Wong teaches our Wednesday class from 5.30-6.45pm, including Senior Pilates 4.45-5.30pm and Open Pointe 6.45-7.30pm. Ecole's Principal Bonnie Bennett will take the Thursday class from 6.30-7.45pm which will provide students with strength, toning and fitness within a relaxed Classical Ballet Class.

Please contact Ecole Ballet & Dance Theatre to join us for a free trial class or for more information on Senior Dance 2020 or our existing pre-professional tuition.
